

NAVIGATING ICES FOUNDATION SAFELY IN
THE
FACE OF RAPID GEOPOLITICAL CHANGE

TO NAVIGATE

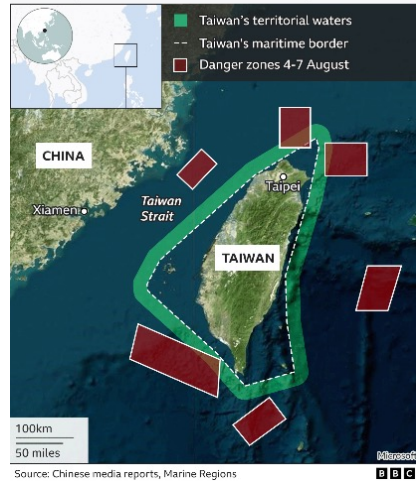

**To travel over or through (water, air or land) safely,
especially by using a map**

TO NAVIGATE

To travel over or through (water, air or land) or through geopolitical hazards safely, especially by using a map

Military exercise areas declared by China

Why are these Geopolitical events important
to ICES?

Why are these Geopolitical events important to ICES?

Because they lead to Community Unrest,

and

Community Unrest leads to POPULIST GOVERNMENTS

DIFFERENT TYPES OF POPULISM

- **Economic**
- **Political**
- **Cultural**

- **All emphasise “the people” and usually juxtapose this group against “the ELITE”.**

SOME Geopolitical dangers already navigated

- **Terrorism**
- **Iran/Iraq War**
- **Brexit**
- **Falling Relative Power of the USA**
- **Polarising impact of (UN)Social Media**
- **Rise of China – (One Belt One Road initiative)**
- **Middle East politics**
- **Nuclear Threat**
- **Ultra Powerful Corporations**
- **Latin America discontent**
- **Turkey?**
